

## Don't worry. When it's out of your hands, it's in ours.

We know it's critical to deliver your product on time, just the way you shipped it. Our Quality Management System and Product Protection Program are designed to make sure your shipment is delivered on time, in tact, with no surprises.

Experience the Trademark advantage!

- » Get a single point of contact for all communication
- » Your shipment travels through an unbroken chain of cold maintaining critical temperature requirements
- » Our team is always ready to respond even when the unexpected happens

We've mastered the details of refrigerated LTL and multiple stop shipments.

**On time. Intact. No surprises. It's the Trademark way.**

Trust your shipment  
to the LTL specialists.
